

The Need... Effective Prayer

Our human spirits are often damaged, resulting in pain and woundedness.

The damage has a source—a root cause—yet our prayers may only address the symptoms; which does not bring about healing or freedom into one's life.

As the body of Christ, we need to be equipped in how to pray and minister more effectively into people's lives so that Jesus can bring about complete healing, restoration and wholeness.

"The great virtue of the teaching is that it is plain speaking, based on experience and can be related to everyday life. It is also uncompromising in its adherence to scripture. What more can you ask?"

The Tool... Prayer Ministry Skills

This Prayer Ministry Skills Training School is designed to provide many of the spiritual keys and basic skills necessary to effectively pray for someone in need.

The teaching follows a logical order and is separated into six weekend courses.

During the School there will be teaching on key relevant subjects, question and answer sessions, demonstration ministry and opportunities to practically apply that which is learned. It is designed to disciple and equip the Body of Christ.

Healing & Deliverance Workshop

This workshop provides practical application of the skills learned from the series. The emphasis is on small group ministry under the guidance of an experienced Ellel team member. There will be opportunities both to give and receive ministry.

See insert for dates and registration form or contact our Ellel Ministries office.

Who Should Attend?

The Prayer Ministry Skills School is an ideal tool for church leaders, church ministry team members or anyone who wants to know more of how to apply the healing and restoring love of Jesus into their own lives or the lives of others. Prayer Ministry Skills is of special interest to those who are unable to attend some of our longer schools. This School can be made available to local churches in an area in response to a formal written invitation by one or more pastors in that area.

“The teaching on this course has been rich, detailed and down to earth, bringing an understanding to stimulate minds.”

Training Courses

Ellel Ministries' training courses stand on biblical foundations and reflect years of active ministry experience during which God has shown us His keys to healing in many situations. These keys and principles have been compiled into courses as aids to the Church in administering His healing love to those in need. They impart biblical understanding and practical guidance on how to minister to others, and are of one to four days duration. Most are based on a specific subject or address particular aspects of healing and discipleship.

About Ellel Ministries

The Vision

Ellel Ministries is a non-denominational Christian Mission Organization with a vision to resource and equip the Church by *welcoming* people, *teaching* them about the Kingdom of God and *healing* those in need. (Luke 9:11)

The Mission

Our mission is to fulfill this vision throughout the world, as God opens the doors, in accordance with the Great Commission of Jesus and the calling of the Church to proclaim the Kingdom of God by preaching the good news, healing the broken-hearted and setting the captives free. We are, therefore, committed to evangelism, healing, deliverance, discipleship and training. The particular scriptures on which our mission is founded are Isaiah 61:1-7, Luke 9:1-2, Luke 9:11, Matthew 28:18-20, Ephesians 4:12 and 2 Timothy 2:2.

Ellel Ministries is now established in Australia, Canada, Central and Eastern Europe, Colombia, France, Germany, Holland, India, Malaysia, New Zealand, Norway, Singapore, South Africa, Sweden, the UK and the USA.

Our Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Savior and Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and the basis for teaching.
