

# Partnering with Ellel Canada

*Ellel Ministries Canada is excited with what God is doing here in Canada.*

*Through the application of key spiritual principles, many people are being healed and set free to become the person that God intended for them to be.*

*Perhaps you also have been a recipient of God's healing through Ellel Ministries.*

## The Work

The work of Ellel Ministries began as a Training and Ministry Centre in the North of England. It is now a world-wide Christian Ministry bringing:

- Hope and healing to all people
- Vital training and equipping for the Body of Christ

## The Need

- The need for help, healing and training far outweighs our current capacity to respond.
- Without regular and dependable income our ability to serve the Body of Christ and responding to the cries of His people is severely restricted.

## About Ellel Ministries

### The Vision

Ellel Ministries is a non-denominational Christian Mission Organization with a vision to resource and equip the Church by *welcoming* people, *teaching* them about the Kingdom of God and *healing* those in need. (Luke 9:11)

### The Mission

Our mission is to fulfill this vision throughout the world, as God opens the doors, in accordance with the Great Commission of Jesus and the calling of the Church to proclaim the Kingdom of God by preaching the good news, healing the broken-hearted and setting the captives free. We are, therefore, committed to evangelism, healing, deliverance, discipleship and training. The particular scriptures on which our mission is founded are Isaiah 61:1-7, Luke 9:1-2, Luke 9:11, Matthew 28:18-20, Ephesians 4:12 and 2 Timothy 2:2.

Ellel Ministries is now established in Australia, Canada, Central and Eastern Europe, Colombia, France, Germany, Holland, India, Malaysia, New Zealand, Norway, Singapore, South Africa, Sweden, the UK and the USA.

### Our Basis of Faith

*God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Savior and Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and the basis for teaching.*
