

Entheos Retreat Centre

The Restoration Week is hosted at the Entheos Retreat Centre just west of Calgary towards Bragg Creek. This very peaceful facility is in a countryside setting at the foot of the beautiful Rocky Mountains. There are quiet walking trails on its 60 acre property with plenty of foliage, rolling streams and occasional wildlife.

About Ellel Ministries

The Vision

Ellel Ministries is a non-denominational Christian Mission Organization with a vision to resource and equip the Church by *welcoming* people, *teaching* them about the Kingdom of God and *healing* those in need. (Luke 9:11)

The Mission

Our mission is to fulfill this vision throughout the world, as God opens the doors, in accordance with the Great Commission of Jesus and the calling of the Church to proclaim the Kingdom of God by preaching the good news, healing the broken-hearted and setting the captives free. We are, therefore, committed to evangelism, healing, deliverance, discipleship and training. The particular scriptures on which our mission is founded are Isaiah 61:1-7, Luke 9:1-2, Luke 9:11, Matthew 28:18-20, Ephesians 4:12 and 2 Timothy 2:2.

How It All Began

Ellel Ministries arose out of a vision shared by a small group of prayer supporters led by Peter Horrobin in 1986. It has since grown rapidly in response to an increasing worldwide need. Through its centres around the world, Ellel Ministries exists to serve the Body of Christ. At the heart of the ministry is a desire to see the Church trained and equipped so that it can do all that God has commanded it to do.

Our Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Saviour, Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and the basis for teaching.

Hope & Healing

**RESTORATION
WEEK**
REBUILDING LIVES

*A week to meet with God and
to experience His healing for
the broken areas in our lives*

*Bringing the heart of God
to the heart of man*

Restoration Week

March 21 to 28, 2010

From the very beginning of Ellel Ministries, the main focus has been to bring God's healing and restoration to hurting people.

Restoration Week is a week of opportunity to understand both the causes of damage in people's lives and how to personally receive God's restoration. God's heart is for wholeness and freedom for every part of our being, in order that we might fulfill the destiny He has prepared for us.

The week will start with an evening meal, a welcome and introduction to Restoration Week, followed by five days of teaching to give understanding to the truth about God's restoration for our lives. The last two days give opportunity to appropriate those truths through personal prayer ministry.

*But this is a people robbed and plundered;
All of them are snared in holes,
And they are hidden in prison houses;
They are for prey, and no one delivers;
For plunder, and no one says, "Restore!"*
Isaiah 42:22

Damaged buildings do not function as the builder intended; restoration, sometimes even down to the foundations, can bring an extraordinary new lease of life to the whole structure. When we take time to understand the spiritual principles that underlie the condition of our lives, we give God the opportunity to show us more clearly the particular ways in which we have become damaged and to demonstrate His amazing ways of bringing restoration to spirit, soul and body.

Gardeners know that weeds grow along with the desirable plants in our gardens. If we allow the weeds to remain, the plants are never able to produce in the way we desire. There is nothing wrong with the plants. The problem lies with us allowing the weeds to take over.

God wants us to have full, rich, productive lives that reflect our unique design. To do this we must deal with our spiritual weeds.

Typically these weeds come in three ways. Firstly, there are weeds that are a consequence of our own sin. Secondly, there are things that people have done to us or things that have happened to us due to the circumstances of life. And finally, there are things we have inherited.

A well weeded garden or a well weeded inner life will always be more fruitful than one that is left to run wild. Restoration Week will weed the garden of your inner life and give you the skills and encouragement to maintain that garden, flourishing with joy and productivity in whole new ways.

"So I will restore to you the years that the swarming locust has eaten" - Joel 2:25a
