

About the Teachers

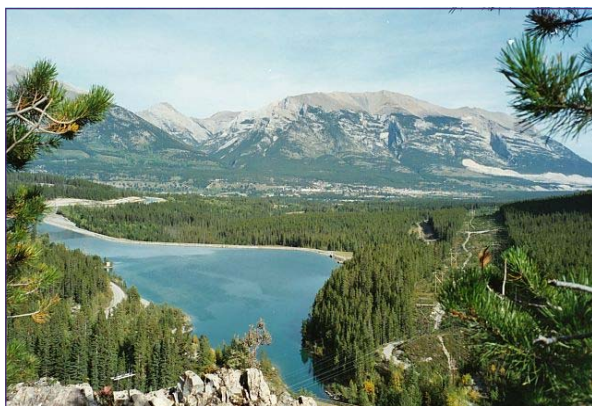

Allen and Linda Fode
Centre Directors

All teaching on Ellel Ministries Schools is under the overall direction of Peter Horrobin, the International Director of the work. There will be contributions from

various members of the Ellel Teaching team, together with some of our Associate Teachers.

The team includes people from a wide range of backgrounds, including teachers, pastors, business people and professionals. They teach from a rich understanding of God's word, personal experience of His healing power in their own lives, compassion and love for the hurting, and from continuing practical experience in discipling and healing.

"The Sovereign Lord has filled me with His Spirit. He has chosen me and sent me to bring good news to the poor, to heal the broken hearted, to announce release to captives and freedom to those in prison." — Isaiah 61:1

The Entheos Retreat Centre used for Ellel Canada events is situated at the gateway to the magnificent Rocky Mountains.

"This has been the most precious time of my life! I came here to learn, but what I have also received from God in a personal way is beyond anything I could have wished!"

About Ellel Ministries

The Vision

Ellel Ministries is a non-denominational Christian Mission Organization with a vision to resource and equip the Church by *welcoming* people, *teaching* them about the Kingdom of God and *healing* those in need. (Luke 9:11)

The Mission

Our mission is to fulfill this vision throughout the world, as God opens the doors, in accordance with the Great Commission of Jesus and the calling of the Church to proclaim the Kingdom of God by preaching the good news, healing the broken-hearted and setting the captives free. We are, therefore, committed to evangelism, healing, deliverance, discipleship and training. The particular scriptures on which our mission is founded are Isaiah 61:1-7, Luke 9:1-2, Luke 9:11, Matthew 28:18-20, Ephesians 4:12 and 2 Timothy 2:2.

How It All Began

Ellel Ministries arose out of a vision shared by a small group of prayer supporters led by Peter Horrobin in 1986. It has since grown rapidly in response to an increasing worldwide need. Through its centres around the world, Ellel Ministries exists to serve the Body of Christ. At the heart of the ministry is a desire to see the Church trained and equipped so that it can do all that God has commanded it to do.

Our Basis of Faith

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Savior, Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct, and the basis for teaching.

The Need... Healing

Healing is a need that is universal

Who has not experienced painful circumstances sometime in their life? Some may still be involved in ongoing situations where the wounds inflicted affect their quality of life and effectiveness in Christian service. Ellel Ministries is committed to bringing healing into the lives of both those who have been part of the Body of Christ for some time and also to those who need the saving and healing power of Jesus for the first time.

“To see lives dramatically turned around was such a privilege and it is amazing to know that God wants to use me and will give me His heart for His broken lambs.”

The Model... Discipleship

According to the model Jesus lived, we endeavor to welcome people and then bring teaching into their lives that will enable them to receive healing and bring them into wholeness. Our teaching model tackles in detail the ground that must be covered in ministering to people so that root problems which are often so well buried below the surface can be identified and dealt with. By removing the roots, as opposed to dealing with surface issues, spiritual, emotional and physical health can be attained. This is not an end in itself, but is necessary to effectively release us into God's calling upon our lives and the exercise of our giftings. Special emphasis is given to learning how to listen to God for each individual so that ministry is led by the Holy Spirit according to the individual's situation and need.
